Grievance Description

This is regarding misutilization of Rs 3.68 crore which was meant to build Yoga centres and to provide yoga to Bhopal gas victims. The funds were sanctioned by Ministry of Chemicals & Fertilisers in 2010 to the Department of Bhopal Gas Tragedy Relief & Rehabilitation, Govt of MP. There was a deviation from the original proposal and instead of 36 yoga centres only 7 were built. 2 of these centre are not even in gas affected areas. No yoga trainer was ever hired and all of these Yoga centres have been transferred to Dept of Culture, GOMP. Most of these yoga centres have turned into wedding halls. I sent a detailed email with all relevant annexures to the Secretary of Chemicals and & Fertilisers (Mr. P. Raghavendra Rao) and copied it to Joint Secretary, Mr Samir Biswas on June 29, 2018. I have not received any reply or acknowledgement on this email. A copy of the email is attached. The relevant annexures were also sent on the email
